Foreign Exchange Students

Jaqueline Casanova, Mexico

"Hill I am a girl from Finland who came here with a private exchange program — The Order of Rumeberg.

A hot summer day six months ago the plane landed in Seattle. A nervous but excited girl stepped out of the plane to face a new country with a lot of new experiences. Since then time has just flown by

The U.S. differs, of course, in many areas from Scandinavia and Europe. It is among other things that the people, the environment, and school. But I really like it

Schools are not as big as they are here. Instead of six subjects we have thirteen divided upon a week

Among some of my interests are sports, jazz-ballet, and playing the piano. I am very happy that I have been able to keep them up

The first six months have been a lot of fun and a great beginning for my year in the U.S."

Maria Aminne

"My name is Jaqueline Casanova and I am from Mexico. I came to the United States with the Ibero American Cultural Exchange Program

My experiences in the United States have been won derful. Besides meeting a lot of different people, I have tried different foods and activities

I like Washington but I think it rains a little too much Columbia River is a nice High School and it offers a lot of different classes

My stay in the United States will end in June but I hope to some day be able to return."

Maria Aminne, Finland

Foreign Exchange Students

Ciaudia Garcete, Buenos Aires, Agentina

"The American Field Service (AFS) experience is as yet, only half over, but the past six months are certainly worth writing on

Columbia High, like my family, make life active and enjoyable. Number one on the "top days" list is the first day at school. It was very overwhelming: not only the thrill of new ways and places, but the great number of exciting people. Personally I feel honored to be treated so well by so many people.

Three full months went by when I didn't feel depressed at all. (Homesickness is a "foreign" feeling to me.) This is largely indicative of how life has been

Members of the teaching staff have been thoughtful but expecially I am indebted to my host mom and dad, my brothers Doug, and Dave, and to my little sister, Jody

Perhaps in reading this, the impression may be given that the U.S. is the best place to be. Countries are best compared to old girlfriends: It is unfair to give one a rating above the other, as totally different qualities are involved in each case. Perhaps the best thing I can say is Thanks, I Love You, America!"

'My name is Claudia Garcete, and I am 17 years old I am a foreign exchange student from Buenos Aires, Argentina

I am attending Columbia River as a senior and I shall stay in the United States until late June

I five with my host family in a Condominium on the shores of Vancouver Lake. They are a great help with my English which I have studied for six years and hope to continue studying

I traveled to the U.S. because I wanted to improve my knowledge of English. Hike to visit different places and hope to continue to visit other countries

I think this is a great opportunity to gain knowledge and to learn everything about the United States. I am enjoying being here and I like Washington very much."

James Kelly, Rockhampton, Queensland Austral a

Foreign Exchange Students

Luis Hodriguez Ledl, Guadalajara, Mexico

"I am Marco Sotello from Brazil. I have been here for two months and I am really enjoying myself

My hobby here is to play tennis after school. On weekends I do many different things that are strange and exciting. I think the thing that was the most fun to learn was skiing. I had a really fun time doing that.

I came here through the Rotory. I like my host family and we get along very well. In my program it is required to change families every three months. The object of this change is so that I can get to know differ ent customs of the American families.

I am really glad I came to Vancouver I like it here. I think the people are really nice and friendly. I hope that some day you will get to come to my country and see how I live." "I'm Luis Enrique Rodriguez Ledo, I'm 16 years old, and I'm from Guadalajara, Mexico, the second biggest city in Mexico. I have been in the United States for two months and I'll stay here for eight months. I arrived here on November 11, 1980 at the Portland Airport.

I think a lot of different things about the United States. First of all I think there are more friendly people in Mexico. I'm not saying that I don't like it here because I do, I just think that the people here could be more friendly.

I think that Columbia River is a very good school with a very good organized staff. There is also good teaching equipment which we don't have in Mexico.

I like this city very much because there are many things to do, only it's very cold here because I come from a place that is always sunny. I really like it here in America."

French Club

This Year's French Club was a very active one with something going on almost every month. They began the year with an afterschool picnic on September 16. On October 22-24 they sold Spook-O Grams that were delivered on Halloween day. On October 28 they attended a Language Club Halloween Party. December 2 ws the night for their progressive dinner which involved walking from course to course and from house to house. January 27 held an ice skating party and spirit rocks were sold. On February 24 came the annual French Parents night with the theme: Parisian City which proved to be a big success. In March they held a green M & M guessing contest and the winner received the entire jar. April or May brings the chance for the annual trek to a French restaurant for dinner.

Besides all the fun times the club created for themselves, they also helped the school raise money by taking the tickets for the football and basketball games.

Officers for this years French Club were as follows: President: Lauri Lake, Vice President: Jill Wiseman, Secretary: Heidi Young, Treasurer: Karen Nelson, and Public Relations: Delona Lang.

Social Studies Club

The Social Studies Club organized another successful Model United Nations this year. Its members took most of the trophies which lead to a landslide win of the best over-all trophy which Columbia River has now won for the third year in a row and will get to keep at the school. The club paid for all the trophies by taking tickets at volleyball games and wrestling matches.

The club was also active during the elections. Members campaigned and did voluntary work for their candidate. In provided some very heated discussions at the monthly meetings.

With the left over money the club treated itself to a dinner.

Horticulture

This year the 1980-81 Horticulture ¾ did a numerous amount of different activities. One of the major projects was the remodeling of the Hydro-ponic green house. Columbia River is the only high school in the area that has successfully completed a greenhouse of this type.

Plant sales were held throughout the year and they proved to be very successful. Among the types of plants sold were: houseplants, tulips, bulbs, and flowering plants.

The horticulture project for the Class of 1981 was to move the biology greenhouse from between the 300 and 400 wings, rebuilding it at a different location. In place of the greenhouse, benches and picnic tables would be placed

Other activities included several different members of the classes going to contests. They participated in local as well as state competition.

Drama

In November the Drama Club presented "Hill-Billy Wedding," which is about a city boy who finds himself nearly forced into marrying a hillybilly gal. The follow up play was "The Diligent Daughter," which was about two innocent sisters in search of their long lost father in the evil saloons of the 1920's.

At Christmas, many of the students went to a few of the local nursing homes as a gesture of remembrance to the old

In the spring, Drama expressed their talents in two more plays. "Arsenic and Old Lace," and a short play entitled "The Saga of Sagebrush Sal." Towards the end of the year still another set of plays were presented. First was Agatha Christies, "Ten Little Indians," and a one act comedy mystery, "The Case of the Phantom Baseball."

Throughout the year many of the actors participated in a local talent show and an educational acting contest at the University of Portland

Both Varsity Rally Squad member's were exciting and termendous to watch. The Gold squad consisted of Missy Dynes, Kelly Miller, Amy Quall, Suzie Falls, Andrea Ponciano, and Holly Wohgemuth. They were the product of hard work and long hours of practice and it showed. They were the most inspirational group of cheerleaders to come from Columbia River for a long time. A lot of students, parents, and faculty members commented on how precise and enthusiastic girls they've been. Thank you and we hope you juniors come back to lead us to victory again

The Purple Rally squad had three seniors and three juniors. They cheered for football games and the girls' basketball team. They really showed endurance by cheering through the cold rain and sleet. The team consisted of Leslie Butterfield, Darcy Brandt, Eileen Diala, Maggie Metcalf, Denise Jabush and Teri Hochhalter Good work Chieftains.

This year's mascots consisted of Denise Hayes Mike Timmins, and Tammy Crockford. They showed up at all of the games and really showed spirit. They came back from a lot of let down's such as illness and the Chieftian headdress stolen by Hudssn Bay. Sincerely, Thanks.

We are impressed and hope they go for it next year.

Varsity Football

For the Columbia River Chieftans a tough schedule is not uncommon. But this year, the Chiefs were required to work harder than ever. Playing Richland, (who reached the finals) and Issaquah (3rd in state), was the toughest part of the sea son. Overall, the season records were 3 in league and 6 for the overall play.

The numbers are misleading in the fact that, there were many close games, that we just couldn't win. In league play the total points lost were 21. Because of the Chiefs tenacious defense, we held on to a lot of ball games. Proudly, the Chiefs shared the #1 spot in defense with Capital

Although the whole team did a great job this year, they voted Doug Pruess as outstanding lineman and Dave Pyles as the outstanding back.

The Sophomore Football Team showed some great potential for the future. We will be looking for some big things from this group of young men in the future.

Columbia River's Junior Vars ty baseball team had a good year. Under the coaching of Dana Jessen, of Gaiser Junior High, the team took the league championship in 1981, with a win loss record of 8.4. They were described as being a well balanced team, with a good attitude, who often came back when they were down. We hope to see a lot of them back next season on Varsity, showing the same unity they displayed this year on J.V.

ACTIVITIES

Homecoming

The Homecoming Dance was held at Columbia River in the cafeteria, October 18, at 8:00 p.m. The annual bonfire and foot ball game were held the day before this Friday. The court and the queen were announced during half time of the River and Bay game

The princesses were Amy Quall, Darcy Brandt, Kelly Miller, and Eileen Ojala. The Homecoming queen for 1981 was Leslie Butterfield. It was very easy for the princesses and queen to be at the game since they were all on the varsity cheerleading squad.

The dance held the next night was formal and all of the people there were dressed up and ready to dance. By the looks and actions of everybody, they had a superb time!

Sadie Hawkins

Sadie Hawkin's was one of this year's fun dances to go to. You could dress as casual as you wanted to. Most couple's dressed as cowboy's or they wore just jeans and matching T shirts. The pictures were taken by Justin's in a familiar barn setting

March 21st at 8:00 p.m. in the Columbia River cafeteria, was the time and place to be. This is one of the favorite dances to go to because you can act yourself and it didn't cost a lot of money

Jr.-Sr. Prom

The Junior-Senior promises held at Gaiser Hall on May 9th, at 8.00 p.m. The theme for this gala was Moonlight dreams. There was a lot of romancin' and dancin

The junior-senior court consisted of the men: Joe Phillips Greg Myers, Brad Thomas, Tom Collins, Doug Sessions and Ty Baker. The finalists for the women were: Kelly Miller, Brenda McChesney, Amy Quali, Christine Wiese, Hiedie Young and Eileen Ojala. The winners were Joe Phillips and Kelly Miller

The junior class counsil sponsored this event. They had money left over from last year's counsil from car washes etc.

The evening was an exciting and I guess you can call a different one

Mrs. McDermott the principal danced with John Visser and it was very exciting to watch, and amusing. The music that they all danced to was performed by the group Positive Waves. All in all, the seniors sure do have something to remember as their last high school dance
